

Lent Retreat: 2018

Follow-up to Lent Retreat: Suggestions

Many people have asked us for suggestions as to how to continue the good work and fruitful prayer of the Lent Retreat when Lent is ended. We suggest you enjoy Easter and look forward in hope. We would also suggest that it would be good to enter into a less intense prayer period.

However, if you have found the Lent Retreat helpful it would be good to keep up some of the things you have found help you in encouraging and deepening your relationship to God. Below we have a few suggestions, which include daily online prayer, a weekly prayer site, particularly suited to groups. Other suggestions are a residential retreat, a day with Edwina Gateley who wrote many of the poems used in our retreat, and an introductory course to the Spirituality of St Ignatius Loyola (Ignatian) "**Growth in Prayer and Reflective Living**". This course is offered at the Ignatian Spirituality Centre in Glasgow and by the Epiphany Group in Edinburgh & Fife. Finally, we have some book suggestions you might find helpful to continue your retreat. May God bless you all this Easter Season.

*Fr David Birchall SJ
and all the team at the
Ignatian Spirituality Centre*
